Gajula Rega, Vizianagaram - 535 002, ANDHRA PRADESH, INDIA  
NAAC B+; Approved by AICTE, New Delhi; Affiliated to JNTUK, Kakinada

### INSTITUTIONAL DISTINCTIVENESS

SITAM always strives to promote environment consciousness among its stakeholders. The Institute has taken many initiatives to make the campus eco-friendly and for energy conservation. Some of the Initiatives are as follows:

- Green Practices: Eco friendly E-Cycles, Plastic Free Campus, Tree Plantation.
- Solar energy for street lights within campus
- Recycled water is used for gardening.
- All kinds of wastes are handled with different approaches

The Institute has also implemented best practices which have contributed to achieving the institutional objectives and for improvement of quality such as

- Academic Preview and Review
- Industry Interaction for academic skills enhancement .
- Effective Mentoring System
- ERP system for efficient administrative activities
- Digital Learning Management system

A Learning Management System (ULEKTZ) for students to practice at home and for parents to monitor the academic progress of their children/wards.

SITAM aspires to blend into the surrounding greenery and form a synergistic bio-entity by minimizing its inadvertent effect on vicinity.
